

The star of our menu is the hopper. Torn, folded or dipped, they are made to be eaten with an array of curries & sambols.

Please note – hoppers are not available for take away as they don't travel well

AND – for lunch only, we have our weekly changing curry plate

**ORDERING:**

1. Start with short eats as your pre-meal snack
2. Perhaps add a medium eat
3. Make your hopper selection  
(we suggest starting with one or two and adding more as you desire)
4. Add curries, vegetables and sambols  
(Or just order the banquet...)
5. Eat – using your hands is encouraged
